Re: Application of Global Connection Inc. of Tennessee for a Certificate of Convenience and Necessity to Provide Facilities-Based and Resold Telecommunications Services throughout the State of Tennessee
Docket #02-00567

Dear Mr. Waddell:

In response to your letter dated May 23rd, please find enclosed with this letter a revised Management & Technical Team data sheet. We have revised the original Management Team and Personnel outline sent with the application so that it now includes the additional information that you have requested.

Also enclosed is Global's list of certificates that they currently possess, along with a list of its' pending applications. As you can see, Global only has one certificate pending and that is for a une-p status in Tennessee.

Finally, with respect to your request for the year ended 12/31/01 financial statements, we regret that we are currently not in a position to submit these to you. Our accountant, Tom Pierce, fell ill last fall with a heart attack and eventually had open heart surgery a couple of months ago. He has returned to work on a limited basis and is slowly trying to catch up. Unfortunately he has not yet completed the work necessary so that our off-site CPA can complete the audited financial statements and it may be a good while before this can be done. I hope that you will accept the financial statements provided with our application, as they are the latest statements that we currently have.

If you have any questions concerning the enclosed materials, or if you require additional information, please give me a call at 678.966.8444 x 101.

Sincerely,

Houssam Abdallah
